

Junior Year - Spring To Do List

Academics

- Meet with your advisor and discuss a graduation plan
- Use [Degree Works](#) to manage courses and track personal data
- Use [tutoring and writing resources](#) to assist in your academic plan
- Look into requirements and timelines for graduate school if needed

*We wear Cranberry
on Wednesdays!*

Community and Involvement

- Participate in on [campus events](#) and show your **RIDER** pride!
- Find ways to strengthen your leadership skills through involvement
- Further your impact and give back through community service
- Enhance your relationship with faculty and staff members
- Join a professional organization as a student member

EMERGING LEADERS
Building a brighter tomorrow

Career Preparation

- Meet with your career advisor to discuss career assessment tools
- Use [Handshake](#) to review employment opportunities on/off campus
- Attend a [resume workshop](#) to build a base to build off of
- Attend a [Rider Career Fair](#), and begin building your network!

Personal Growth

- Develop your leadership skills, what will your legacy be?
 - Some examples:
 - Run for an executive board position
 - Talk with faculty about possible research opportunities
- Refine your values and passion:
 - Think about your values and what is important to you
 - Does your involvement in clubs and orgs support your values?
 - How can you broaden your perspectives?
